PRESIDENT SPEAKS

Dear Rotarians, Families, and Friends,

It is with immense gratitude and humility that I accept the privilege of serving as President of our Rotary Club for the Rotary year 2026-27.

As we begin this new journey together, I am inspired by the dedication, friendship, and spirit of service that define our club. We have inherited a strong legacy built by our past leaders, and it is now our responsibility to build upon that foundation with renewed enthusiasm and purpose.

This year, our focus will be on growth—growth in membership, leadership, fellowship, and meaningful service. Every new member brings fresh ideas, every project creates opportunities to serve, and every act of kindness strengthens our commitment to making a difference in our community.

Guided by Rotary's values and the theme "Create Lasting Impact," we will strive to undertake projects that bring sustainable change and leave a positive legacy for generations to come. True impact is not measured by the number of activities we conduct, but by the lives we touch and the hope we inspire.

Success can only be achieved through teamwork. I invite each one of you to actively participate, share your talents, and work together with dedication and compassion. Together, we can transform ideas into action and challenges into opportunities.

Let us embrace this year with optimism, integrity, and a shared commitment to Service Above Self. With your support and cooperation, I am confident that we will strengthen our club, expand our reach, and create lasting impact in the lives of those we serve.

I sincerely thank you for your trust and confidence. I look forward to serving alongside each of you as we make this Rotary year one of growth, friendship, and meaningful service.

Yours in Rotary

Rtn Kiran Kumar
President 2026-27

R. I. PRESIDENT MESSAGE

Rtn Olayinka H. Babalola

President,
Rotary International 2026-27

Congratulations on your installation to the office of Rotary Club President of your respective Rotary club. You have been appointed to this role because of your commitment to our global organization and your tireless efforts to expand Rotary's reach, champion peace, and Create Lasting Impact. Thank you for all you do.

As you step into this new position, I encourage you to be better than your best. While we traditionally celebrate clubs that raise the most funds, attract the most members, or run the biggest projects, the healthiest competition is not between clubs at all. It is between ourselves. It is between our past and our present, what we have already accomplished and what we have yet to achieve.

We often share how Rotary inspires lasting change in communities, but we rarely discuss how it transforms us. Consider how Rotary has changed your life and helped you be better than your best and share your story widely. If we can do that, we will engage current members, expand our reach, forge exciting connections with like-minded partners, and solve some of the world's most pressing challenges.

Let us continue to Create Lasting Impact through Rotary – across the globe, in our communities, and in ourselves. I look forward to working alongside you in service.

This bulletin stands as a reflection of your club's journey, achievements and aspirations. The challenges faced by our communities call for compassionate leadership, innovative thinking and collective action. When we come together as friends, partners and fellow Rotarians, there is no limit to the positive change we can create.

Every Rotary project, whether large or small, has the power to transform lives. Every act of kindness strengthens our communities. Every member who actively participates contributes to Rotary's legacy of service. Let us strive to build stronger clubs, engage our members meaningfully, support The Rotary Foundation and expand our reach so that our service creates a lasting and measurable impact.

I extend my heartfelt congratulations to the incoming President, Secretary and their team. I am confident that under your leadership, the club will continue to grow in strength, relevance and impact while setting new benchmarks of excellence.

I also compliment the Editorial Team for bringing out this bulletin. Beyond documenting activities, it serves as a source of inspiration, preserving memories and communicating the values that make Rotary a force for good in the world.

As we begin this new Rotary journey together, let us embrace the spirit of Saathi - standing by one another, supporting one another and serving together. Let us be changemakers who inspire hope, foster goodwill and create opportunities for those who need them most. Together, let us create lasting impact that will be remembered long after our year of service has ended.
